“ If I was to sum up my experience with Naos, I would say that they are a good company to do business with. I would also highly recommend a visit to their show-room because I was very surprised at the extent of the products that they offer. There is so much more to choose from than just your typical stone and wood. ”

// You have been very helpful and are clearly knowledgeable about flooring. You have provided a reliable service and an excellent product. Would be happy to recommend. //

We thought you might like to see what our customers say about us. At the time of printing, these were the last testimonials we had received.

"Naos is a very professional and knowledgeable company. We felt confident that the end result would be exactly what we wanted. The quality is second to none; we cannot fault the finish."

Mr A, Tonbridge

"We love our new floor. It looks brilliant and the finish is excellent. The fitters were a great pleasure to be around and their attention to detail is superb. Naos might be pricier than other companies but all we can say is that it is worth the extra money for the quality you get, the fitter's attention to detail and their knowledge about their products. You feel that you are in very safe hands. We wouldn't dream of going to anyone else the next time we need some flooring."

Mr & Mrs S, Penshurst

"We would absolutely recommend Naos. They are better than good – they are outstanding. We are thrilled with our floor and the customer service has been fantastic."

Mr & Mrs G, Chart Sutton

"I've been working in the building industry for 50 years and Naos is without a doubt a company that is synonymous with quality."

Mr R, Tonbridge

"Our house has been a nightmare building project for the last couple of years but Naos has been very tolerant and understanding. We couldn't have asked for more. It has not been the easiest of floors to fit but they have done an amazing job. They are professional, friendly and helpful, give great customer service with a great product."

Mr & Mrs Y, Haywards Heath

"We have used Naos several times over the years and would highly recommend them. They are professional and a pleasure to work with. We have never used anyone else for our flooring and always come back to them each time."

Mr & Mrs K, Matfield

"As I write this I am sitting in my kitchen looking at my beautiful new wood floor and I absolutely love it! You have all been very helpful, worked well alongside our builders and I love the end result. The whole experience has been fabulous."

Mrs D, Sissinghurst

"From choosing the product through to the installation – the service has been fantastic."

Mr H, Hollingbourne

"We are really impressed with your customer service. You clearly know about your products and are very professional. Most importantly, we love our wood flooring!"

Mr & Mrs T, Canterbury

"I was so impressed when Naos did my neighbour's floor that I decided to use them for my property – and I was not disappointed! My house is a complicated shape so it was not the easiest of jobs, and it was important to match the existing natural oak skirting boards and doors. Naos has done an excellent job, I am very pleased with the end result and the colour of the wood. They are an efficient company, were nice to have around, and have given me a very good-quality product."

Mr C, Horsmonden

"If we were to sum up our experience with Naos, we would give it ten out of ten. They were incredibly helpful and easy to deal with, and we are really happy with the end result."

Mr & Mrs T, Wadhurst

"Having used Naos for both the supply and fit of tiles and wooden flooring, we would highly recommend them. The showroom is well laid out, they have an excellent knowledge of the products, and provide a very friendly and personal service. We were extremely happy with the finished results."

Mr & Mrs P, Tonbridge

"We are very happy with the service and would definitely recommend Naos. They are a premium company but when you see the quality of their work you can understand why. They have done a great job and the floor looks fabulous!"

Mr & Mrs C, Hildenborough

"We just want to thank you for doing such a faultless job! Having been flooded, it was a very stressful time for us, but you helped to make the process less painful. Your work is of a very high standard and a million miles removed from what was there before. We have ended up with something that is even better, which is a little silver lining. We would go back to you every single time. Although hopefully next time it will be through choice!"

Mr & Mrs H, Hildenborough

"Brilliant service! You knew what you were doing and so we always felt that we were in safe hands. If you are looking for a high-quality floor then you definitely get what you pay for."

Mr & Mrs L, Sevenoaks

"An incredibly high-quality product that is affordable with a faultless service. The tiles are stunning and the finish is fantastic – Naos has done a superb job. We would 100% recommend."

Mr & Mrs J, Yalding

"Naos has been absolutely brilliant! I would recommend them to anyone. I know they are more expensive than some of their competitors but their service is so much better. As a foreigner in this country, Naos is the only company that I have found that meets my expectations and standards."
